Dear Ashley and all GWA Members!

I am writing this letter to express my most heartfelt appreciation for what you and your organization have provided to Hubble Foundation this year at your Spring Clay Shoot Fundraiser!! We are **very** blessed that you all decided to help us once again this year! We had a wonderful time at the event on May 8, 2015, and we thank you so much for being so welcoming and hospitable! Your donation of over \$8500.00 was SO much more than we expected!!!! THANK YOU!!!!!!!!!!!!!!

Your organization's generosity of spirit will continue to ensure that families of the fallen are continued to be cared for and that our efforts in advocacy can continue as well! It is so wonderful to know that your organization and your members support your own industry and that your commitment is something that we have been able to count upon. I can't put into words how grateful we truly are!

I am a tad behind, but I will have a video of your pictures on our website by mid November! We are also gathering pictures from the golf tournament in October that you all sponsored us for as well, and will have a video of that also!

I pray that God continues to continually bless each member of GWA and GWA as an organization! You all are in our daily prayers! Thank you for allowing me to serve the industry, and thank you for giving back!

Much Love,

Dr. Bridgette Hester, Ph.D.
